Instructions for National Detachment VAVS Award

1. General Information

To be considered for the National Detachment VAVS Award the MCL VAVS Q1 Rev 2018 form (VAVS Award Questionnaire) must be completed. This is the only form used by the National Committee for judging Detachments for the National VAVS Award. All awards will be presented during the National Convention. Nomination forms must be post marked or, if emailed as an attachment, to the National VAVS Representative NLT 16 June of each year.

The VAVS Award Questionnaire can be found at MCLeauge.org website; programs tab; Veteran Information; listed as: Detachment VAVS Award Questionnaire.

Department or Detachment VAVS Award programs are sperate from the National Detachment VAVS Award program and requires separate submissions to the appropriate command.

MCL National has only this form when determining eligibility and awardees. Therefore, every answer on the VAVS Award Questionnaire is important and will be the sole factor on whether a Detachment is recognized.

Legibility Counts! And is very important, write so the committee can clearly understand your answers. **Illegible Questionnaires will not be considered by the committee.**

The following are brief description and explanations the committee will look for in each question.

Question 1. The membership numbers of your Detachment as listed on the 30 June previous year's strength report. This determines your Detachment's category.

Question 2. Name of the VA Facility where your volunteers donate their time. Please identify the complete name and mailing address of the VA facility. If your Detachment volunteers at more than one facility, list each on page two of the questionnaire.

Question 3 – 13. This information can be found via your detachment's VAVS Rep or from your Detachment's Annual Joint Review (AJR) document. Your VAVS Rep can obtain a copy of any year's AJR, volunteer hours and name of Reps, Deputies and volunteers monthly from the VA Volunteer Service Office in the facility where you volunteer. Additionally, the VA Volunteer Service Office can give the official monetary and material donations.

Question 14 – 18. Because events, programs, awards and certificates can, in some cases, be numerous, please place the answers to these questions on page two of the Detachment VAVS Award Questionnaire. Remember, if the information is not there, the judges will have no way of including this important information when considering your nomination form.
