Awards & Citations

Sub: Yearly report Awards & Citations Committee

Sir Commandant:

Speaking for my committee and me, it's been a pleasure working on this prestigious committee. It gives us first hand to the hard work and dedication Marine Corps League Marines are doing in their Detachments, Departments and National. This year we haven't received as many recommendations as in the past years but we encourage our Leaguers to submit names of many out there deserving National recognition.

This year to date we have or will award fifteen (15) National Citizen Gold, five (5) Meritorious Unit Citations and one (1) Life Saving Medal.

Looking forward to National Convention in Montana and presenting the awards to our brother and sister Marines.

Respectfully submitted,

Jim Ransom  
National Chairman
