

MARINE CORPS LEAGUE FOUNDATION

8 August 2019

To: National Commandant
National President, MCLA
National Board of Trustees, MCL
Board of Directors, MCL Foundation
Membership of the Marine Corps League and Auxiliary

From: Gregory Hunt, President Marine Corps League Foundation

Subj: Marine Corps League Foundation Annual Report

On behalf of the Board of Directors of the Foundation, I thank the membership of the League and the Auxiliary for their continued support. The Foundation Board consists of myself President, Marine Jerry Devlin Vice President, Marine Harry McCann Secretary, Marine William Miller Treasurer, Marine Polly Weidenkopf, and Marine Mike Dighero.

Your continued support of the Foundation enables us to provide scholarships, assist in youth programs and provide aid to Marines and their families.

Since our annual audit is still underway, the financials will be available and published in our Mid-Winter Conference report.

Your foundation provided assistance during this period through the Humanitarian Aid Fund, the Disaster Relief Fund, as well as supporting the Youth Physical Fitness program, and the MCJROTC National Drill Championship.

The Foundation is in the process of modernizing it's web page, with up to date information. The old website is still up and running where you can set up a monthly donation through PayPal and Facebook becoming a sustaining donor. Currently we have individuals who make a monthly donation in honor of his deceased loved one who was a member of the League, or just wanting to help out. Remember if you purchase goods on Amazon, the Foundation is listed as a recipient of their Amazon Smile program. Please use Amazon Smile and designate the Marine Corps League Foundation.

We are in the scholarship application process and once a final approved listing is presented to the Fondation, scholarship checks will be mailed to the appropriate educational institutions. The amount of the scholarships are dependent on the number of approved applicants and funding availability. Please remember that the Foundation does not administer this program. Any questions regarding scholarships should be directed to the Scholarship Committee.

The Foundation provided \$10,000 to the U.S. Marines Youth Foundation for their ongoing support of Youth Physical Fitness, and \$2,000 to the Young Marine of the Year to further their education. The Foundation also sent \$6,500 to the Marine Military Academy to support the educational opportunities of a deserving cadet. The Foundation again partnered with the MCJROTC, TECOM program to support the Regional and National Drill Competitions by purchasing awards for the MJROTC Drill Competitions. \$3,700 to the YPF for the top high school and athletes.

Our Combined Federal Campaign number is once again 10195. We continue to be listed on the Best Military, Family and Veterans Service Charities, and once again received the Platinum level of Transparency from GuideStar.

We continue to urge your participation in our Memorial Certificate program. This program is a fitting way to honor our deceased brothers and sisters. Remember that blank Memorial Certificates may be purchased from the Foundation for \$25.00 each to keep on hand at the Detachment or Department level. They are available at the Foundation's Challenge Coin table, where the 5th series of the Marine Corps League Foundation Challenge Coin along with the 1st through 4th are being sold. Make sure you pick up any coins you've reserved. If you have not purchased reserved coins, they will become available to the general public for sell during the week of the 96th National Convention.

Thanks for all of your donations and support through the years, and remember we're here to ensure "No Marine or their families are left in need".

Respectfully submitted and Semper Fi,

Gregory Hunt
