

To: National Commandant Webb
From: Marine for Life Committee Chair Ossian
Subject: MCL/M4L Liaison Report

Sir Commandant,

Our first full year is in the books and it's clear this program has the potential to be one of the most important missions of the Marine Corps League. Numerous success stories have hit my desk since this new relationship with the Marine for Life Network began. Our teams have stepped up to assist the Marine Corps growing group of M4L Representatives in some interesting and exciting ways.

Action Items that we have achieved:

- An interview with Mark Munger (M4L RNC Southeast) was published in Semper Fi to begin the message of our new mission.
- Liaison training materials were developed and posted in the library of our National website.
- National MCL/M4L Liaison Committee was created.
- Division and Department MCL/M4L Liaisons assigned.
- Well over 100 members have signed up to be Detachment MCL/M4L Liaisons.
- Training class taught at Midwinter Conference.
- Mark Munger created training video and published on DVIDS.
- Many of our teams have supported Marine for Life Networking events.
- Several members of MCL/M4L committee attend Marine for Life annual training at MCB Quantico.

Lastly Sir, it was my honor to have been interviewed for the Marine for Life's Newsletter. Clearly the Marine Corps is grateful for our support of this program. The potential to serve our Marine and Navy family through this program is exciting.

Thank you for the opportunity to serve.

Semper Fidelis,

David T. Ossian
MCL/M4L National Committee Chair
