Subject: Annual Report, Veterans Administration Volunteer Services (VAVS Rep)

Attachments: 1) MCL Volunteer Hours and Donations Report

Marines,

The following is information pertinent to the MCL Veterans Administration Volunteer Services (VAVS) Representatives' activities and achievements for the period of 1 Jul 2019 – 30 June 2020.

1. VA Volunteers and VAVS Committee Representation:

- A. The Marine Corps League has 705 VA Volunteers and 129 VAVS Representatives/Deputy Representatives in 127 VA Medical Facilities. (Attachment 1)
- B. Attachment (1) is a cumulative report of all VA Facilities where Marine Corps League members volunteer. The first tab is a list by state. The subsequent tabs are divided by MCL Divisions.

2. Annual Joint Reviews The Annual Joint Review (AJR) is the report compiled by each VAMC detailing the number of regular MCL volunteers, the hours they volunteer, and the monetary and non-monetary contributions made by the local MCL Dets.

- A. For the MCL, the AJR is completed during Feb of each year. For this reporting period only 68 of the 127 MCL staffed facilities submitted their report (Attachment 1).
- B. However, for those VAVS Reps/VA Facilities who did report, our MCL totals are:
 - I. Volunteer Hours = 86,539.50
 - II. Monetary Donations = \$45,945.00
 - III. Non-Monetary Donations = \$123,670.31

3. MCL Staffed Facilities with Noteworthy Contributions. Please take note of the following facilities and their reported contributions. These Marines and Detachments far surpassed the average contributions of all others. I've highlights Fort Harrison MT, Lebanon, PA and Coatesville PA.
