Devell Durham Jr
National Chairman Youth Physical Fitness

August 1, 2020

From: National Chairman Youth Physical Fitness
To: National Commandant of the Marine Corps League
Subj: 2020 National Chairman Report of Youth Physical Fitness support to U.S. Marine Youth Foundation

Commandant Tobin, Board of trustees, and general Membership:

The most constant thing on earth is change! The shutdown of our Nation and the world due to the COVID-19 virus cause my normal annual report to change significantly. I did attend USMYF semi-annual board meeting in September 2019, during the Modern Day Marine week.

However, because of COVID19, The United States Marine Youth Foundation Inc (USMYF) adjusted and cancelled the entire 2020 competition season.

Semper Fidelis,
