

# MARINE CORPS LEAGUE

Mid-Winter Conference 2021 Report

## National Training and Leadership School

26 February 2021

To: National Commandant Dennis Tobin

Cc: Membership

The National Training and Leadership School started to take shape in 2020 with defined requirements with input from National Leadership, school committee members and the membership. The school will have two parts. Training videos posted to social media and live ZOOM Training sessions.

We have already produced our first online training video; **Episode 1 (The MCL Cover)**. It is currently posted on Facebook at <https://www.facebook.com/mclnational> . It will also be posted on YouTube at <https://www.youtube.com/>. Search for 'Marine Corps League National Headquarters'.

These short videos will educate the membership on a variety of subjects including MCL Officer duties, proper MCL Uniform wear, etc. We intend these videos to be watched on any mobile device or computer. They should be used during training classes or meetings at the Department or Detachment. A short 5-10 minute video will not make your meeting last too long and it could provide invaluable information to those that are not computer savvy or to settle a difference of opinions by getting official word directly from a National Officer.

We already held one Zoom Leadership Training Class in January 2021 which was led by our School Team Member Mike Waluk. Zoom Meetings will begin to be more frequent (hopefully monthly) on a variety of subjects. The Dept of Maryland (DoMD) has purchased a Zoom license that they have graciously allowed us to utilize to host or co-host training classes. Zoom meeting invitations will be sent out from National HQ's via email down the chain of command (Nat-Div-Dept-Det). We will NOT be posting log-in info on social media.

If you have any ideas for classes or videos, please let us know.

Semper Fi,

A handwritten signature in black ink that reads "C P Reeling". The signature is written in a cursive, slightly slanted style.
