We, as a team, were able to salvage what could be salvaged of the 2020 Marksmanship Season and the National Postal Matches. We wound up having about 80 Pistol Shooters and 30 Rifle Shooters, the scores will be finalized shortly, and as you know we are working out Awards for the winners. I want to get the word out to all the League Members about the 2021 Season and make sure they look over the new programs we will offer to MCL Members. Some of them will include a .22 caliber class for both the Rifle and the Pistol, an optics class for the service rifle so the Younger MCL Shooters can shoot as they did while in the Corps. As far as our Veterans who have been around for a while, we will be reorganizing the Rifle class by removing the Kneeling class and adding 5 rounds to each of the Prone and Sitting classes. After my spring Marksmanship Meeting, I will release a full update for the Library so everyone can be sure to know what we are doing for 2021. That is all for now I will keep you updated.

Semper Fidelis
