Information Summery

We have many Associate Members that help the Marine Corps League in different ways. They may be appointed or volunteer there countless hours of support for the good of the league. The purpose of this amendment is to establish an awards system. An Associate Member of the Year award will recognize our Associate Members at their Detachment, Department and Division. The National Associate Member of the Year award and establishing the National Associate Member of the Year Society will be the recognition at our National level.

The awards can use the same ribbons as the Marine of the Year, but an Associate **will not wear the Eagle Globe and Anchor**, but will place a Large Gold Star 7/16 on their ribbon.

The Associate Member of the Year **Medallion**, will use the same ribbon color that has been establish as Marine of the Year. **A new Medallion designed will look the same as the starburst that is worn on their cover.**

A National Associate Member of the Year **Pin will be a rectangle shape with the year and Assoc. abbreviation on pin.**

The National Associate Member of the Year will be chosen by the Marine of the Year society. Detachment, Department, Division awarded, noted in the bylaws same as the Marine of the year. An Associate Member of the Year Society will be established when a Minimum of (3) Associate Members has been established.

Rationale on Awards

1: 7/16 Gold Star

This Gold Star was approved and awarded by the D.O.D and is awarded to a person for Individual Meritorious Commendation, This is why we believe this Gold Star should be attached to an Associate Member of the Year ribbon who is deserving and is awarded this award.

2: Shirt Ribbons and Collar Ribbons

A: The Marine of the Year ribbons and colors are widely recognized. Therefore we believe there is no reason to redesign new ribbons for Associate Member of the Year awards. The discerning element would be the placement of the gold star.

B: By trying to be responsible and using what is available at the National Ship Store, we are not incurring higher cost for the good of the League.
