In accordance with **Section 10020. Amendments** of the **National Administrative Procedures** I am submitting the following change.

RATIONAL:

Since Marine of the Year Medallions are not part of any Order of Precedence list this section should be changed as follows:

Locate the Medallion descriptions just prior to the Order of Precedence (Large Medals) and leave the actual ribbon descriptions in place. There seems to be some confusion with this section. It describes the National Marine of the Year Medallion as #1 of **DESCRIPTION OF MEDALS, RIBBONS, AWARDS, AND WHO MAY AUTHORIZE** but it is also listed as part of #5. So, we should remove the current #1 and reword, restructure, and move #5.

Respectfully submitted,
