In all cases you are not limited to what is shown on this list nor is any one a requirement. These are only suggestions. You must have at least one section in your book and number your section(s) No detachment needs to have all five sections.

Hints: Don’t be too wordy talking about the event and all photographs should be in focus and the subject centered. Only include one or two photos per event. Filling you section with tons of repeat photos will not better your chance of winning. Everything should be dated and include location, the people in the photo and what is going on in the photo. Include copies of any documentation of the event if possible.

The 12-month period to be covered is from one National Convention (August) to the following National Convention (August). You do NOT need to cover every month.

Note - These rules apply to Departments as well as detachments.
