8 August 2021

Sir Commandant,

The year 2020-2021 has been a year of collecting, organizing and sharing. The Marine Corps League has a great history and through the searching of various places, more and more of that history is being found and documented.

Over the course of this year, I have been able to assist the Departments of North Carolina, Louisiana and Illinois with their Marine Corps League history and provided them with data gleaned from the National office holdings. I have also worked with COO Bob Borka to build a digital library of older Rituals and By-Laws for historical purposes.

As we get closer to the 100th Anniversary of the Marine Corps League in 2023, more and more of the past history will get added to the historical record so that a permanent record of our history will be available.

I appreciate, and thank you, for the opportunity to be the National Historian and I look forward to further service within the Marine Corps League.

Semper Fidelis!

Respectfully,

Gregory R. Ciesielski

Gregory R. Ciesielski,
National Historian
