**Sir Commandant:**

**We are looking forward to getting back to doing our job.**

**The Sgt-at-Arms & Assistant Sgt-at-Arms: it's more than just standing at the hatches and distributing reports. It's "Team Work" with ensuring that the business meetings run very smoothly with little to no problems. They do an OUTSTANDING job from setting up the meeting room before the Conferences & Conventions begin to break down when the Conferences & Conventions are done.**

**Thank you for your dedication and professionalism, and always being squared away. It is greatly appreciated.**

**I would like to take this time to remember, Ken Parker, who was one of the National Assistant Sgt-at-Arms. Ken passed away 8 June 2021. I will miss the fun we had together at National Conferences & Conventions. Ken's dedication, commitment and professionalism was outstanding in all that he did. He will be missed by many, and he will never be forgotten by those who were fortunate enough to have known him. Rest in Peace, my friend.**

**I'm looking forward to seeing everyone again in Springfield, IL.**

**Stay safe and stay healthy.**
