Report of the Commandant – July 2021

Commandant Tobin:

OMG! We ARE going to make it through this pandemic! Sadly, some of our members and their families did not, but we will remember them by moving forward.

During the past year, many of our Detachments in the Department of Pennsylvania performed as Marines: continuing to improvise, adapt and overcome in what has been a most unusual year. Our 2021 Convention **DID HAPPEN** and that proved to be a challenge in itself!

Highlights included a pinning ceremony with MajGen Arnold Fields of the 50th Anniversary Vietnam War Commemoration, greetings from elected officials, partner Veterans Service Organizations, Veteran Affairs representatives for the Commonwealth and the First Sergeant of the local USMCR unit. We were honored that Commandant Tobin was on hand to conduct the installation of our new officers!

GOING FORWARD – and we need to do so – members who did not attend our Leadership Academy have been alerted that **there are NEW forms** from National HQ for Transmittal, Notice of Death, Report of Installation, Transfer and Member Application in the [marinecorpsleaguelibrary](#).

And we just had a big change on the Department of PA [website](#). We took advantage of a change in hosts to re-design the site. If you find something is missing, please let us know. If you want to help with the on-going design and maintenance, we need to know that, too.

While we continue to seek members to step up to serve as Department Paymaster the transition has been smooth.

Thank you for your continued support of the League and all veterans!

BE Always Faithful,
