Subject: Re: Mid-Winter Report

Sir Commandant Sturch

We are currently 1,900 members and in the process of transferring members from two detachments that have been not holding meetings, or filing the proper IRS/Corporation reports. Those are the Lt. Terrance C. Graves Det.# 1330. and the Bobby D. White Det.#923. We have been working with the Firelands Det.#1192 who has had several members pass away and approximately 2 weeks ago was advised to stop and pick up articles from a family member. These Detachment items were picked up by Ohio PDC John Cook and I'm waiting for his final report.
