

DEPARTMENT OF PENNSYLVANIA MARINE CORPS LEAGUE

P.O. BOX 6687, Harrisburg, Pennsylvania 17112-0687

Report of the Commandant – July 2022

Commandant Baker:

The state of the Department of Pennsylvania is strong! Most of our Detachments have returned to meeting regularly and getting out in their communities. Those that have not are being mentored by the Department staff. A few, sadly, are being disciplined and one is in the process of termination for non-compliance.

We were pleased to welcome Senior Vice Commandant Warren Griffin to our 77th Annual Convention. Among the highlights was the adoption of a resolution in support of the Purple Heart Project launched by the [National Flag Foundation](#). That resolution has been forwarded for action at the National Convention.

COMMUNICATION with all Detachments and members has been an important part of my tenure as Department Commandant. Our new [website](#), our [social media](#) communications and email blasts have augmented rather than supplanted good old snail mail. AND we have revived the Department [newsletter](#).

Yes, there are tasks at hand. Membership continues to decline in many quarters and compliance with the Bylaws and APs are a challenge for some. But, we stand ready to aid those in need.

Thank you for your continued support of the League and all veterans!

BE Always Faithful,
