To: Johnny Baker, Marine Corps League National Commandant

SUBJ: Annual Report POW/MIA Committee

As the Chair of the POW/MIA Committee, it has been a pleasure to serve the Marine Corps League (MCL) and its membership. Our committee members, and myself are honored to deliver the POW/MIA presentation at the MCL Mid-Winter Conference and at the MCL National Convention banquets.

During the year, we have created a script for the MCL membership to consider for use when presenting the POW/MIA table at special MCL events. Many variations of the POW/MIA are available, however, the version posted to the MCL library section of the website is what our committee uses. Although our current members memorize the text, it is not a requirement for the presenter(s) of the POW/MIA table to memorize the text. Reading the text verbatim is also appropriate. Whichever form of presentation is used, the presenter(s) should conduct multiple rehearsals to become familiar with the text and allow for a more meaningful delivery.

Very Respectfully,

Audrea Killalea

POW/MIA Committee Chair
