

Sir Commandant,

I would like to report that the Department of Indiana is sound. As part of Central Division we are the Department to look up too. We have 1813 paid members, 262 unpaid members and all 24 detachments in good standing with both National and the Department. We are also hosting the Central Division Conference from 29 March - 1 April 2023 in Plainfield IN.

To date, there are 13 of 24 detachments with their 990's complete and 6 of 24 detachment Life Member Audit reports completed. I have attached our most current Detachment Status Report which is generated by our Department Paymaster/Compliance Officer.

So far this year I have attended Mid-Winter, the Central Division conference in Ohio and I chaired the Department of Indiana Convention. I will also be attending the National Convention. I had the pleasure of swearing in the officers of four detachments this year and it is my goal to attend as many detachment meetings as possible.

I would like to thank you and everyone at National for everything you do!

Semper Fidelis

Kelly D. Gillihan

Commandant

Department of Indiana

Marine Corps League
