

# PACT ACT & GULF WAR, POST-9/11 ERA VETERANS

The **PACT Act**, signed into law August 10, 2022, **expands health care eligibility to several groups of Veterans** who may not have been eligible before.

Veterans who participated in a **toxic exposure risk activity** (as defined by law) while serving on active duty, active duty for training, or inactive duty training.

Veterans assigned to a duty station in (including airspace above) certain locations during specific periods of time on or after:

**August 2, 1990**, in Bahrain, Iraq, Kuwait, Oman, Qatar, Saudi Arabia, Somalia, or United Arab Emirates

**September 11, 2001**, in Afghanistan, Djibouti, Egypt, Jordan, Lebanon, Syria, Uzbekistan, or Yemen, or any other country determined relevant by VA

## Toxic Exposure Screenings

As a general matter, there are several types of possible exposures or hazards Veterans may have experienced during their military service, including:

- Air Pollutants
- Radiation
- Occupational Hazards
- Chemicals
- Warfare Agents

**ON NOVEMBER 8, 2022:** VA will begin incorporating toxic exposure screenings. Every Veteran enrolled for VA health care will receive an initial toxic exposure screening and a follow-up screening at least every five years. Eligible Veterans who have not enrolled will have an opportunity to enroll and receive the screening.

The PACT Act adds **20+ new presumptive conditions**. Learn more online at [VA.gov/PACT](https://VA.gov/PACT).

Participate in the [VA Airborne Hazards and Open Burn Pit Registry](#) to help VA better understand potential health effects of exposures and proactively identify health concerns Veterans can discuss with their health care providers for follow-up care.

Veterans who deployed in support of:

Operation Enduring Freedom	Operation Iraqi Freedom
Operation Freedom's Sentinel	Operation New Dawn
Operation Inherent Resolve	Resolute Support Mission

### SPECIAL ENROLLMENT PERIOD:

Veterans who served on active duty in a theater of combat operations during a period of war after the Persian Gulf War or in combat against a hostile force during a period of hostilities after November 11, 1998, and who were discharged or released between September 11, 2001, and October 1, 2013, may enroll in VA health care **between October 1, 2022 and October 1, 2023**.

**Family members or dependents of a deceased Veteran** may qualify for various VA benefits due to the additional disabilities defined in the PACT Act if they meet eligibility requirements. More information for survivors is available online at [VA.gov/PACT](https://VA.gov/PACT).
