

Welcome to the 2023 National Midwinter Conference

I would like to offer a warm welcome to all our Marine Corps League Members, Ladies Auxiliary, Military Order of the Devil Dogs, and Guests to our 2023 National Midwinter Conference in Norfolk, Virginia. The Sheraton has been a very welcoming facility and we are happy to be back. This is the 100th anniversary of our Marine Corps League and we are excited to share this year with you.

There are a variety of presenters lined up to provide information and resources. The idea of this Conference is to present tools and resources that will enhance the local Detachments. Please bring back to your members the information passed here.

The Board of Trustees sincerely appreciates you taking the time out of your schedule and busy lives to join us. We recognize that it is a sacrifice to be away from home and recognize your dedication to patriotic volunteerism is the lifeblood of this organization.

This is a time to enjoy comradery, meet new friends, learn from our presentations, and share ideas. Our Conference/Convention Committee is fully engaged to make this a worthwhile Conference for all to enjoy and learn. Thank you for coming!
