From: Audrea Killalea, POW/MIA Committee Chair

To: Johnny Baker, Marine Corps League National Commandant

SUBJ: Annual Report POW/MIA Committee

As the Chair of the POW/MIA Committee, it has been a pleasure to serve the Marine Corps League (MCL) and its membership. Our committee members include: Angela Maness, Sal Cenicacelaya and myself. We are honored to deliver the POW/MIA presentation at the MCL Mid-Winter Conference and at the MCL National Convention banquets.

During the year 2022, we presented the POW/MIA table at special MCL events in Norfolk, VA; Daytona, FL; Tulsa, OK and McAllen, TX. Our members recite the presentation from memory. Although our current members memorize the text, it is not a requirement for the presenter(s) of the POW/MIA table to memorize the text. Reading the text verbatim is also appropriate. Whichever form of presentation is used, the presenter(s) should conduct multiple rehearsals to become familiar with the text and allow for a more meaningful delivery.

The committee is currently planning to attend an event on September 15, 2023, in Jacksonville, TX to honor National POW/MIA day.

Many variations of the POW/MIA presentation are available, however, the version posted to the MCL member's library section under Ceremonies, Honor Guard and Uniform section of the website is what our committee uses.

Finally, our committee is open to new membership should any other members of the MCL be interested.

Very Respectfully,

Audrea Killalea
POW/MIA Committee Chair
