

MARINE CORPS LEAGUE

Mid-Winter Conference 2023 Report

National Training and Leadership School

24 February 2023

To: National Commandant Johnny Baker
Cc: Membership

The National Training and Leadership School is in need of a few good members. We need members with new ideas and the skillset to put those ideas into motion.

You should be familiar with Microsoft Office products (i.e. Word, Excel, PowerPoint); be able to create PowerPoint presentations; teach classes both online via ZOOM and in person at a convention or conference; create videos that can be posted to our MCL National YouTube page and other social media. Some members may want to be “on-camera talent” and others can work behind the scene. This may be an ideal position for some of our younger, more tech savvy membership.

These short videos will educate the membership on a variety of subjects including MCL Officer duties, proper MCL Uniform wear, etc. We intend these videos to be watched on any mobile device or computer. They should be used during training classes or meetings at the Department or Detachment. A short 5-10 minute video will not make your meeting last too long and it could provide invaluable information to those that are not computer savvy or to settle a difference of opinions by getting official word directly from a National Officer.

Episode 1 (The MCL Cover) has been posted to YouTube. Search for ‘Marine Corps League National Headquarters’ at <https://www.youtube.com/>.

If you have any ideas for classes or videos, please let us know. If you are interested in joining our committee, please let me know.

Semper Fi,

A handwritten signature in black ink that reads "C P Reeling". The signature is written in a cursive, flowing style.
