From: Jon Morgan, Jr. Vice Commandant  
Samuel F. Gearhart Detachment 656

Subject: Proposed Administrative Procedure Change.

In accordance with **Section 1100, National Bylaws, National Administrative Procedures, Section 10020**, I am submitting the following additions.

**PROPOSED:** The addition of two paragraphs (f) and (g), added to section 10020 ending at Paragraph (e).

(f) Any proposed revision, amendment, or repeal of the Administrative Procedures previously submitted before the National Convention by Motion and Second, which fails to receive an affirmative vote, shall be prohibited from submission at the next Convention. Resubmission of the same failed proposed change or a proposed change that is similar in its core content or intent must be held from proposal until the third Convention after the original proposal.

(g) The National Administrative Review Committee and the National Executive Director shall retain the authority to waive the limitation indicated in paragraph (f) above, as they deem appropriate.

**Rational:** This proposal would eliminate the presentation of the same failed proposals year after year, and contribute to a more efficient and productive National Convention Bylaw meeting.

Respectively submitted,

  
Jon Morgan  
Jr. Vice Commandant
