MARINE CORPS LEAGUE

National Headquarters

12 MAR 2023

From: National Jr. Vice Commandant TJ Morgan

To: COO/Executive Director Bob Borka

Subj: Amendment to AP Section 6045 Subsection (e)

Section 6045. Charter Suspension, Revocation

Currently reads,

a. The charter of a Detachment may be suspended or revoked for:

- (1) The persistent failure to maintain a minimum of fifteen (15) regular members in good standing.
- (2) The persistent failure to promptly forward funds due to the National body.
- (3) Acts and conduct bringing the Marine Corps League into public disrespect.
- (4) Willful violation of National Bylaws and Administrative Procedures.
- (5) The violation of Federal, State, or Municipal laws or ordinances.
- (6) Other activities detrimental to the good name of the Marine Corps League.

b. The suspension or revocation of charters may be consummated by a Department Board of Trustees and/or the National Board of Trustees and shall be implemented in accordance with the provisions of the National Bylaws and Administrative Procedures in a manner considerate of the well-being and good name of all concerned.

c. When a Detachment Charter is suspended or revoked, the Board of Trustees of the jurisdictional Department, or where a Department is non-existent, the jurisdictional National Division Vice Commandant shall upon written authorization of the National Commandant,

certified by the National Executive Director/COO, assume custody of such Detachment's assets and liabilities. The Board of Trustees of the jurisdictional Department shall, within the limits of such assets, satisfy the liabilities of the Detachment in question. However, if a jurisdictional Department is non-existent, the responsibility for satisfying the outstanding liabilities shall devolve to the National Board of Trustees upon receiving, from the jurisdictional National Division Vice Commandant, such assets and liabilities which are in his custody.

d. The Detachment properties and assets will be held by the Department for a period of one (1) year or until a new Detachment is formed. Should a new Detachment be formed during that period, and the new Detachment retains the old Detachment name, ALL properties and assets will be returned. After the one (1) year, the properties and assets will revert to the Department. The Charter will be returned to National Headquarters and placed in the archives. All assets will then become the property of the Department. All ceremonial rifles must be accounted for per issuing regulations (Title 10, US Code 2572), either physically or through police/fire reports.

e. The Department would ensure the current membership of the Detachment would be distributed to the closest Detachments pending the approval of the accepting Detachment. The accepting Detachment would have 30 calendar days to approve member(s). Once approved the members in question will have 30 calendar days to decline the transfer at which point the transfer will be approved or, if declined by either party, the member(s) will then be moved to the National Members-at-Large roster.

Proposed change.

e. The Department would ensure the current membership **in good standing, suspended members as well as delinquent members still held on the National rolls** of the Detachment, would be distributed to the closest Detachments pending the approval of the accepting Detachment. The accepting Detachment would have 30 calendar days to approve member(s). Once approved the members in question will have 30 calendar days to decline the transfer at which point the transfer will be approved or, if declined by either party, the member(s) will then be moved to the National Members-at-Large roster. **If the current Departments charter is under suspension or revocation, the National Marine Corps League headquarters along with the Division NVC, would ensure these transfers take place according to subsection (e).**

Rational

Currently, delinquent members and suspended members, are still carried under our rolls until at least a year has passed and therefor should be included under subsection (e) This change just clarifies the ability to transfer them as well as members in good standing.

Semper Fidelis,

TJ Morgan
National Jr. Vice Commandant
