Sir Commandant;

This is my final report as the Jr.Past National Commandant. As you will soon find out, the position of Jr.Past is not require a great deal of traveling. The Jr.Past is there to advise and consult and if necessary to travel at the request of the National Commandant.

I believe that not only during this past year, your second term but also during your first term I served my per purse as your chief advisor and supporter. I believe, and hope I'm right in saying that I fulfilled my duties to the best of my ability and your satisfaction.

I look forward to working with you as the new Jr.Past, ( The 64th) and along with all the PNC's continue to give support and advise to the incoming National Commandant. We have made great strides over the past few years and i know by continuing to work together we will continue to grow and advance the mission of the Mrine Corps League.

Semper Fidels  
Dennis Tobin
