From: Natl. Vice. Commandant RMD Tom Krueger.

Subj: National Convention Report.

I have traveled to every Department within the Rocky Mountain Division. The Rocky MTN Division, like most Divisions, is having its ups and downs. I have set goals for every Department to obtain and strive for. If we are going to be a resilient organization, we first must look at ourselves, and ask what we are doing to advance our Detachment / Department. I have said that to be successful we must be active, not only within our community but also supporting our fellow Veterans. Must recruit new Members and get them involved to ensure the longevity of the Marine Corps League.
