

Good evening Department Commandants,

The past year has been extremely busy behind the scenes as National Judge Advocate, which gave me a great deal of new respect and knowledge for the League. In light of unforeseen developments within the League that have created a vacancy and opening to advance early, I would like to announce my candidacy for National Junior Vice Commandant. I am asking for your support so I may continue to serve the League as Junior Vice as I did as Judge Advocate. I believe my work as a servant to the League is far from over. I am looking forward to seeing everyone out in Palms Springs California.

Thank you

Semper FI

David Porter
