

Department of Illinois

Marine Corps League

National Convention Report

25 July 2024

The Department of Illinois has 38 Detachments, 7 Auxiliary Units, 8 MODD Pounds and is in the Central Division. Most of these groups are very active in their communities, contributing time, effort, and funds and always promoting the Marine Corps League.

We have not chartered any new Detachments for sometime but are continually trying. There are 3 Detachments that are not in compliance with Marine Corps League directives. Appropriate actions are being taken.

I am a newly elected Commandant but have attended the 2023 Oklahoma City Convention, 2024 Midwinter Conference in Arlington, Va, the 2024 Central Division Conference in Kalamazoo Mi.

As of the June 2024 report Illinois has 1660 members (PLM, Regular & Associate) and 132 unpaid annual members.

To All, at this Annual Convention, THANK YOU for all you do! Our Department stands ready to serve!

Semper Fidelis,

Robert (Randy) Weber

Commandant

Department of Illinois
