

Marine Corps League National Marksmanship Postal Matches

The **National Marksmanship Postal Match Program** is a program much like the Americanism and the Newsletter competitions. The intent of this program is to promote teamwork and camaraderie within the Detachments, with the emphasis on retention and recruitment. It is a level of competition that everyone can participate and have fun, and hopefully gain some bragging rights for your Detachment. It is NOT intended to be a Marksmanship Shooting Team with the intent of competing in NRA-sanctioned matches; It is a friendly competition with the end-goal of retention and recruitment.

The matches will be held from **1 March to 30 October** annually. All shooting will be completed during that time. Registration forms, scorecards, and applicable fees must be **submitted (postmarked) by 30 October** to the below address. The fees are currently \$10 per shooter per individual matches. There are no changes to the events for this year. There are 6 separate matches, and no extra fees for team scores. For example, if an individual chooses to compete in each match, the total entry fee will be \$60. If the individual is a member of a team, there will be no extra fee for the team portion.

All checks must be made payable to **Marine Corps League National Headquarters**. Registration fees submitted in advance of the scores will NOT be refunded if the individual or team fails to submit a certified scorecard before the deadline of 30 October. Registration forms and scorecards are available in the Library of the MCL website. They must be typed or printed legibly with the competitor's full legal name, using no nicknames or aliases, and signed by either a Commandant or Team Captain, to certify the scores are true and correct.

Please send the completed Registration and score cards, along with the fees, to:

** We are working on changes for the next year, to bring it back to the simplicity of what it was intended to be. Information will be submitted as soon as they are finalized.
