Subj: Proposed National Administrative Procedure amendment

In accordance with the National Administrative Procedures, Chapter TEN, Section 10020, the following is submitted for consideration by the body assembled at the 2025 National Convention.

**IRT:** Administrative Procedures Section 3060.

**CURRENT:**

**Administrative Procedures Section 3060 National Accredited Veterans Service Officer (VSO).**

(Not a National Position)

**PROPOSED:**

**Administrative Procedures Section 3060 National Accredited Veterans Service Officer (VSO).**

(Authorized to Wear Gold Cover)

**JUSTIFICATION:**

All National Accredited Veteran Service Officers hold a national accreditation and work on cases for Veterans globally, not just in a local area. The title itself calls them “National, and while they may or may not be on Division Staff or a National Staff Committee, they attend professional training, use nationally licensed software, and coordinate directly with the National Director of Veteran Services. These National Accredited VSOs may be part of a Department Staff, earning an appointed staff ribbon, etc. However, they are also still National Accredited VSOs.

Respectfully Submitted,
