

## Marine Corps League Rocky Mountain Division

To: Commandant TJ Morgan, Natl. Commandant Marine Corps League.

From: RMD Natl. Vice Commandant Tom Krueger.

Subj: Mid – Winter Report

The Rocky Mountain Division has issues like the rest of the Divisions within the Marine Corps League. I have set goals for all Department / Detachment Commandant's, I have asked them to look at their Recruitment / Retention. I have also asked each of the Detachment Commandant's to get more involved within their communities, asked them to review their rosters and do a better job of verifying the status of their Membership. I have asked them to also look at getting more involved with their local Veterans.
