

**FROM:** National Vice Commandant Juan J. Uribe, Southwest Division

**TO:** National Commandant TJ Morgan

**DATE:** February 2026

**SUBJECT:** Southwest Division Report – Midwinter Conference 2026

**1. DIVISION STATUS & ADMINISTRATION** The Southwest Division (Departments of Arizona, California, Nevada, and the Aloha Detachment operating in the early capacity of a Department) remains in high spirits and good standing.

- **Growth:** Hawaii is currently operating as a preparatory Department with the intent of finalizing their charter soon. Their operational tempo and reporting have been equivalent to that of a fully chartered Department.
- **Discipline:** Since the August 2025 National Convention, there have been **some Chapter 9 filings**. While minor internal disputes occurred, all were successfully mediated to resolution at the local or Division level.

**2. 250th MARINE CORPS BIRTHDAY (SEMICENTENNIAL)** The Division celebrated the 250th Birthday with historic visibility. Mayoral or Gubernatorial proclamations were secured in Arizona, California, and Hawaii officially recognizing November 10, 2025, as Marine Corps Birthday Day.

- **State Capital Events:** Division leadership organized cake-cutting ceremonies at the State Capitals of AZ, CA, NV, and HI, attended by state legislators.
- **Hawaii Historic Milestone:** For the first time in history, four United States Marine Corps flags were ceremonially raised at the Hawaii State Capitol.
- **Nevada Celebrations:** Hosted Birthday Balls in three locations, including a sold-out event in Las Vegas with over 1,200 attendees.

#### Hawaii (Operating as a Department in training) (Det Cmdt. Vernon Jarvis)

- **Assistance:** Reported assisting over 700 Marines and family members (including Marine 4 Life and general assistance).
- **Community Outreach:** Partnered with the Knights of Columbus for a Christmas Eve outreach feeding the homeless in Kapolei and a visit to the Hawaii State Veterans Home to deliver cards to residents.
- **Commemoration:** Hosted the 84th WWII Pearl Harbor Attack Commemoration at Ewa Air Station.

**4. SCOUTING AMERICA COMMITTEE** As Ex-Officio, I report the committee is operating smoothly under the leadership of Bill Kropa, Rich Walsh, and Steve Bosshard. Numerous Eagle Scout Awards have been processed and issued, maintaining strong ties with youth organizations. All forms have now been confirmed to have changed to the proper 'Scouting America' name vs Boy Scouts of America. The Committee is requesting that a small lapel pin indicative of having achieved the rank of Eagle Scout be authorized for wear in their MCL uniforms only when they are attending Court of Honor Ceremonies (Scouting Eagle Scout Ceremony).

This will display to the young Scouts that these MCL members are Eagle Scouts themselves, and it does really connect with the kids. The device is the same medal pictured at the top of the Eagle Scout Certificates.

Will brief in person at Midwinter once I have more details.

**Respectfully Submitted,**

**Juan J. Uribe**

## **Marine Corps League Aloha Detachment 363** **250th Marine Corps Anniversary Highlights**

On 10 November, the Marine Corps League Aloha Detachment 363 proudly hosted a formal ceremony commemorating the 250th Anniversary of the United States Marine Corps at the Hawai'i State Capitol Rotunda, located at 415 South Beretania Street, Honolulu, Hawai'i 96813. This historic gathering honored two and a half centuries of Marine Corps service, sacrifice, and unwavering commitment to the defense of the nation.

Held in the heart of Hawai'i's seat of government, the ceremony brought together veterans, active-duty Marines, civic leaders, and members of the community in a setting rich with symbolism. The Hawai'i State Capitol Rotunda served as a powerful backdrop, representing the enduring bond between the Marine Corps and the people it has sworn to protect.

The event was distinguished by the presence of Senator Gabbard, who served as the guest of honor. His participation underscored the importance of recognizing the Marine Corps' legacy at both the state and national levels. His attendance reflected deep respect for Marines past and present, and reinforced the enduring relationship between Hawai'i's leadership and the military community.

A historic moment unfolded during the ceremony when active-duty Marines from Marine Corps Base Hawai'i raised four United States Marine Corps flags at the Capitol. This act marked the first time in Hawai'i's history that four Marine Corps flags were ceremonially raised at the State Capitol, symbolizing honor, tradition, and the enduring presence of the Corps across generations.

Time-honored Marine Corps ceremonial traditions were carefully observed throughout the event. Central among them was the Marine Corps Birthday cake-cutting ceremony, a ritual that dates back over a century. In keeping with tradition, the first piece of cake was passed from the youngest Marine present to the oldest Marine, symbolizing the transfer of knowledge, legacy, and responsibility from one generation to the next. This powerful moment served as a reminder that while uniforms and faces change, the values of the Marine Corps remain constant.

The significance of the ceremony extended beyond those in attendance, as the event was documented by on-site newspaper media, ensuring that this historic occasion would be preserved and shared with the wider public. Their presence highlighted the importance of recording moments that honor service, sacrifice, and national heritage.

Overall, the ceremony was a solemn yet celebratory reflection of 250 years of Marine Corps history, grounded in honor, gratitude, and respect. Through tradition, symbolism, and community participation, the Marine Corps League Aloha Detachment 363 successfully commemorated a

milestone that not only honors the past, but also inspires future generations to uphold the proud legacy of the United States Marine Corps.

**Marine Corps League Aloha Detachment 363**  
**84th World War II Pearl Harbor Attack Commemoration Highlights**

At 0800 hours on December 7th, a solemn commemoration was held at the Barbers Point Golf Course to honor the Marines who were killed during the World War II attack on Pearl Harbor, specifically those stationed at Ewa Air Station. This year marked the 84th anniversary of that historic and tragic day, and the gathering served as a moment of reflection, gratitude, and remembrance for the sacrifices made in defense of our nation.

The ceremony was hosted by the Marine Corps League Aloha Detachment 363, with valued support from the Navy League and the Knights of Columbus. The event brought together members of the local community, fellow veterans, supporters, and youth representatives, including the Pyramid Rock Young Marines, whose presence reflected the continued legacy of service and commitment passed from one generation to the next.

The ceremony opened with the colors being marched on by the Knights of Columbus color guard, setting a dignified and respectful tone. The invocation and benediction were delivered by Junior Past Commandant Vernon Jarvis, offering words of reverence and reflection that framed the purpose of the gathering. The Remembrance address was given by Senior Vice Commandant Carl Vincenti, who spoke in honor of the fallen Marines, reminding those present of their courage, sacrifice, and enduring place in Marine Corps history.

Closing remarks were delivered by Marine Corps League Aloha Detachment Commandant John DiGiovanni, who expressed gratitude to all participants, supporting organizations, and attendees for their presence and continued commitment to honoring the legacy of those who gave their lives in service to our nation.

Following the formal ceremony, refreshments were shared among members of the Aloha Detachment and invited guests, allowing time for fellowship, conversation, and shared remembrance. The event stood as a meaningful tribute to the fallen Marines of Ewa Air Station and a reaffirmation that their sacrifice will never be forgotten.

**Hawaii State Veterans Home Visit Highlights**

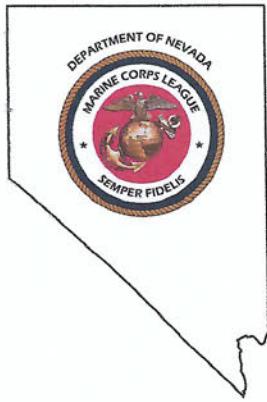

On December 23rd, the Marine Corps League Aloha Detachment 363 carried the spirit of the season to the Hawaii State Veterans Home, located at 91-1200 Kalaeloa Boulevard, Kapolei, Hawai'i 96707. With hearts set on service, members delivered Christmas cards to more than 50 resident veterans, taking time to personally extend warm wishes, gratitude, and companionship during the holiday season. The Christmas cards were generously provided by the Knights of Columbus, whose support helped make this simple but meaningful gesture possible. Their partnership exemplified the strength of community coming together in humble service to honor those who have given so much. This visit was a reminder that acts of kindness—no matter how small—carry deep significance. Through cheerful conversation, shared smiles, and sincere appreciation, the Aloha Detachment reaffirmed its commitment to supporting Hawai'i's veteran community. The day reflected the true spirit of Christmas: gratitude, fellowship, and service to others, offered with humility and aloha.

**Marine Corps League Aloha Detachment 363**

**Christmas Eve Kapolei Community Outreach Highlights**

On December 24th at 9:30 a.m., the Marine Corps League Aloha Detachment 363, with the generous support of the Knights of Columbus, conducted a heartfelt community outreach initiative serving the homeless population in Kapolei. Volunteers from both organizations came together to distribute hotdogs, offering nourishment, fellowship, and encouragement to individuals experiencing hardship during the holiday season.

This Christmas Eve outreach reflected the shared values of service, compassion, and brotherhood upheld by both organizations. Beyond providing food, the initiative fostered meaningful human connection and demonstrated a continued commitment to supporting the most vulnerable members of the community. Through collaborative efforts such as this, the Marine Corps League Aloha Detachment and the Knights of Columbus exemplify service above self and reinforce the spirit of aloha within the Kapolei community.

Joe, As we discussed on the phone today We are still getting numbers from Departments for mid-winter. We will send you a total soon. Rich can send you what we have as of today if you like. We will email you the completed copy before the conference for you to present.

We discussed getting the approval to wear Eagle scout medals while attending court of honor ceremonies only. Not to be worn any other time. If you can ask what the board thinks and we can file to get it approved.

Also we discussed for Scouters who earned the Community service square knot from the League to be able to add the small Eagle Globe and Anchor device from the ships store on the square knot.

The National committee has presented to various Department and Divisions at meetings explaining the value and impact of getting involved in the Eagle Scout Good Citizenship program. Making ties with local scout units gives the opportunity to work together on projects and ceremonies such as flag placing details, flag retirement ceremonies and the scouts can earn service hours for assisting. Educating youth in Americanism by participating in events locally. We have been promoting the program on social media to spark interest in the program from both Detachments and Scouts.

Rich and Steve, If I missed anything please add input so Joe can do his report in the next day so Joe can enjoy his Italy trip.

Safe travels!
