

MARINE CORPS LEAGUE

National Rules Committee

25 June 2026

From: Bruce R. Rakfeldt, Chairman

To: National Commandant, TJ Morgan
All Members of the Marine Corps League

The Rules Committee respectfully submits the following report for the 2026 National Convention.

In accordance with our responsibilities, the committee reviewed the Rules of Convention employed in prior years and assessed the need for any revisions or additions for the current Convention. After careful consideration, the committee recommends the adoption of the attached 2026 Rules of Convention document without amendment.

The committee also notes the addition of Rule #3 to the 2026 Rules of Convention: "Monetary donations may be accepted during meetings when the Bible is open, provided such contributions are intended to support outreach initiatives, charitable assistance, or the care of individuals in need." This rule exemplifies the Convention's dedication to charitable and outreach efforts in a dignified and consistent manner, eliminating the need for repeated opening and closing of the Bible.

These rules continue to uphold the standards and procedures necessary for the orderly and respectful conduct of Convention business. They align with the Marine Corps League Bylaws, Administrative Procedures, and Robert's Rules of Order (Newly Revised), and provides clear guidance on delegate conduct, speaking procedures, voting protocols, and session management.

The committee believes these rules will effectively support the smooth operation of the 2026 Convention and respectfully recommends their approval by the body.

Respectfully Submitted,

Bruce R. Rakfeldt,
National Rules Committee Chairman
Marine Corps League
