

Marine Corps League
Department of New Hampshire

The DNHMCL has 6 detachments which cover the majority of NH. All work together to provide Military Honors for Marines and other veterans as needed. The department is facilitating several recruitment initiatives called Lunch with Leathernecks, Lanes with Leathernecks, as a result we have added 6 new members. The department is also in the planning phases with the Marine for Life representative to create Job Fair / Networking events around the state. Commandant Dumont continues to attend several of the detachment meetings to help identify opportunities for detachments to work together and identify the needs of each detachment. Many of the detachments are in a state of concern as participation continues to decrease.

There are 2 detachments that are rather healthy, 3 that seem to be struggling, and one detachment that is in a new state of crisis due the detachment Commandant resigning. The goal of 2026 is to have a presence at many of the "Old Home Days" and other large events like state fairs, to attempt to increase visibility and strengthen membership. As we begin to strengthen the participation in the struggling detachments we will create a new sense of ownership in the department and attempt to align activities.

Respectfully Submitting
Cody Dumont
DNHMCL Commandant
