

Department of Vermont - Status Update and Highlights

As with last year's report, the Department of Vermont is still currently operating with two active Detachments. Donald Cook Detachment #608 and Brattleboro Detachment #798. Still the Green Mountain Detachment (Montpelier), which has officially closed, no contact has been able to be made with anyone with any information pertaining to them. The Department of Vermont still continues to move forward with absolute determination and Pride in our active Detachments, as so stated in last Years report.

The Robert H. Vincelette has, Officially submitted their paperwork for their "Surrender of Charter". All belongings were mailed to the Department Paymaster and received.

The Donald Cook Detachment #608 is still active and having required meetings. The dedication and leadership of the Detachment continue its Detachments' mission.

Toy for Kids of Vermont

The Toys for Kids of Vermont was another Great success for the Holiday season for 2025.

Many more Volunteers came forward to make sure it is and was. Donald Cook Det. #608, covering the Colchester area and beyond. In Caledonia and Orleans County's, was also a Great success with more volunteers helping the cause.

The teamwork and dedication made it the success that it was again. We all look forward to this years holiday season to continue to make the holiday season a brighter one for those in need.

Respectfully Submitted
